I hate that you are suffering from this, you are a victim and should not be suffering or paying for the wrong doing of others. My heart breaks for you and I am SORRY that this ever happened to you, or anybody else. No one should ever have to deal with this

I missed your call, sorry about that. Did you get my email?

Sean >

Ok

Anything else you need from me right now?

Are you ok?

Please keep me informed on what's happening

I lost phone service sorry

Can you send the nasty ones

Sean >

I have only shared what I felt you could handle some you would absolutely loose your shit

What's happening?

If this goes to the point if full disclosure I feel I will have to do so with legal counsel

In order to protect myself

This is extremely personal for me....
