PROJECT UPDATE

PROJECT UPDATE > WORK-TO-DATE

✓ We last met with you back in August 2022

- August 8, 2022 Pueblo City Council Meeting
- August 9, 2022 Board of County Commissioner's Meeting
- Attending the Front Range Passenger Rail District Meetings
- ✓ On-going coordination with CDOT
 - Relative to 2019 and 2020 CRISI Grants
- Prepared a 10% Rail & Platform Layout and coordinated with BNSF
- Advanced "Option B" to 10% Design Documents

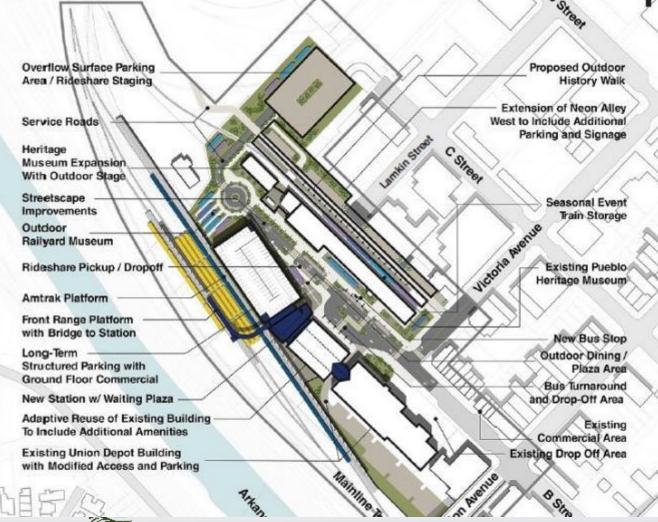

10% DESIGN CONCEPT

STATION AREA PLAN (2021)

250

PREFERRED OPTION (2022)

• ALL OPTIONS

- Flexibility for independent station and garage development
- Expanded views of Pikes Peak and Front Range
- Direct ground-level access to Amtrak Platforms
- Space for community programming / exterior public plazas
- All range between 27-30K Square feet in size
- All maintain critical bridge connection to FRPR

OPTION B

- Medium height station with most modest footprint
- Unique Station with expanded views with pedestrian bridge included as part of the station footprint
- Addresses parking needs for passenger rail and the district
- Optional connection between station and garage

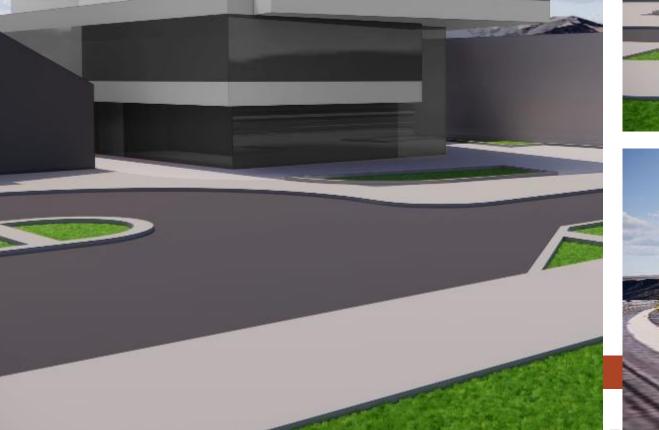

PREFERRED OPTION (2022)

11 1
